Highlights

- ⊕ Two unique and innovative layout solutions
- ⊕ Compact external dimensions and an interior width of two metres
- ⊕ Sliding bed optional

TOURER VAN

(auf VW T6.1)

VANSATION IIIIII

500 MQ

500 LT

TOTAL FREEDOM MORE COMPACT THAN EVER

The TOURER VAN on a VW T6.1 chassis combines compact dimensions with maximum driving pleasure. The VANSATION special model is jam-packed with features and will save you a sensational amount of money.

Inviting Living area

500 MQ. The modern interior makes use of pleasant materials, with open lines of sight and clever layout solutions.

Pull-out Sliding bed

500 MQ. The optional sliding bed is easy to pull out and offers up to two extra sleeping places at the front.

Space-saving Compact kitchen

500 MQ. Well organised kitchen unit with a compressor refrigerator facing sideways, a 2-burner hob, a sink and lots of storage space.

Revolutionary Xpand bathroom

500 MQ. When fully extended, the shower is spacious and the rest of the room stays dry thanks to the watertight shower screen.

TOURER VAN VANSATION

Information on the product delivered, dimensions, mass and appearance, correspond to our understanding at the time of printing (08/2023). The prices stated are the manufacturer's recommended retail prices. The stated prices include the applicable statutory value-added tax and, where applicable, other legally prescribed calculation factors or taxes, which may also be shown separately. Depending on the country, the listed prices do not include the costs for registration papers, delivery and transport unless expressly stated otherwise. Please consult your KNAUS dealer for details. We reserve the right to make technical changes insofar as they serve progress and remain within reason. Before purchasing, please also note the technical and legal information and notes in our configurator as well as in the current price list. You can find the current price list on our KNAUS website. The optional extras selected will increase the mass of the production vehicle. Comparison models: The comparison model is always the floor plan of the series. For the VAN TI PLUS 650 MEG PLATNUM SELECTION, for example, the comparison model is the VAN TI PLUS 650 ME. Errors and misprints excepted. Images for illustrative purposes only. Some of the illustrations show equipment features that are not included in the standard equipment and that can be ordered for an additional charge (optional equipment) as well as some equipment features of prototypes/studies that do not correspond to the standard equipment and therefore cannot be ordered as optional equipment. Slight colour deviations of the illustrations in the brochure from the actual vehicle cannot be completely excluded for printing reasons.

* Savings advantage over individual purchases.

* A voucher for redeeming the medication set is enclosed with the vehicle. The medication set contains pharmacy-only medication. The voucher can therefore only be redeemed at the responsible MediKit mail-order pharmacy at www.medikit.shop. You can also obtain further information about your MediKit at www.medikit.shop.
