INNOVATIVE DRIVER ASSISTANCE SYSTEMS

The right technology in every situation: from the blind spot sensor, the automatic distance control and including the signpost recognition, all systems are aligned to protect your safety. This creates trust and enables driving pleasure without compromise.

1. **Front Assist with city emergency brake function**
   - The Front Assist sensor technology senses the road and recognizes critical situations. In critical situations, the emergency brake function is immediately activated. This forward-looking technology creates maximum safety.

2. **Navigation system**
   - Discover Media with 8" Touchscreen and DAB+

3. **LED main headlight**
   - with LED daytime running lights

4. **Lane Assist incl. blind spot sensor with Park Assist**
   - Lane Assist helps you to keep your lane while the Blind Spot sensor scans the blind spot and, if necessary, warns the driver of the presence of other vehicles through a signal light.

5. **Trailer Assist, Park Assist and Park Pilot**
   - Parking is now a lot easier with the Park Assist system – even with a trailer. At all times, the rear-view camera ensures that the driver keeps the overview.

Additional highlights:

- Automatic distance control ACC and cruise control
- Attention Assist and Automatic Road Sign Detection
- Air conditioning system "Air Care Climatronic" with automatic side protection, rear-view camera
- Towing hitch device with stabilisation function (removable and lockable)
- and much more...

**Twice the pleasure.** If driving and living comfort are combined in such a tasteful way, then every trip becomes an absolute indulgent journey. And Miriam and Paul love toasting to this.

Taking the CUV into the city is pure luxury. Not having to do it, is like being on holiday. With the BOXDRIVE, you’ll be travelling with your own 5-star hotel.

For everyone who doesn’t want to be without assistance systems, there should be no compromises. Choose the BOXDRIVE FIRST EDITION for active and passive safety on all of your (adventure) trips.”
Always at home. Wherever you are. With the BOXDRIVE, Miriam and Paul can conquer the city or let the night end quietly and comfortably, while they are surrounded by nature.

1. KNAUS smart CI. On the 4.3-inch touchscreen you can intuitively control a wide range of functions such as lighting and heating as well as e.g., verify the battery charge level.

2. Especially wide sliding door. The sliding door allows you to open up the living area to nature. You can store everything in the practical storage compartment that you will require on your way outside, such as an umbrella or a shopping bag.
Valuable moments at every location. Whether Miriam and Paul are drawn into the city or the country, in the fully equipped kitchen they can enjoy their breakfast anywhere.
Great how the in-room bath has been integrated here. With the practical folding washbasin, the true ingenuity of KNAUS becomes evident.

1. Innovative folding washbasin. The spacious in-room bath is equipped with a retractable washbasin that – in a pulled-out version – has dimensions of up to 650 x 300 mm.

2. Multifunctional vehicle rear. The spacious rear bed can be lifted up in the kitchen and bath area, to gain better access to the storage space and the on-board technology. The bottom section is – similar to a car – clad with felt and therefore especially car-like and easy to clean.

Thanks to the integrated darkening blinds, the sun only shines in when you want it to.

Numerous functions, such as the foldable washbasin and the fold-out mirror, offer you the highest degree of user comfort.

Textile wall trim with additional relining material for even more comfort.

Design the interior of your CUV in line with your tastes with our numerous upholstery and fabric options. Our ACTIVE LINE upholstery features reliable stain protection whilst also being water and oil-repellent. Do you have to go outside to enjoy a glass of red wine? Sure, if you wish. However, that shouldn’t be because you’re worried about staining the furniture. Of course, your CUV should also sparkle in your favourite colour on the outside.

BOXDRIVE CUSHION OPTIONS

The BOXDRIVE comes standard with the light, friendly MEMPHIS upholstery.

HIGH-TECH FURNITURE FABRICS

ACTIVE LINE upholstery is water and oil-repellent, and extremely easy to maintain. Liquids do not immediately penetrate, and the overwhelming majority of stains can be easily removed with a damp cloth.

1. MAGNOLIA
2. EARTH
3. AVOCADO
4. STONE
5. PEACH
6. AQUA

Enhance your CUV with two large (60 x 40 cm) and two small (40 x 40 cm) cushions

Matching table runners

Essential additions: two super-soft cuddly blankets
